Farm job checklist

Before you travel. Before you start work.

- [ ] I have the full address of my accommodation and workplace available offline.
- [ ] Someone I trust knows where I am and when we will check in.
- [ ] I understand my tasks and have asked about training, equipment and safe routes.
- [ ] I have written down the agreed work and accommodation arrangements.
- [ ] I know whom to contact if something seems unsafe or unfair.
- [ ] I have saved important contacts and checked my insurance information.
- [ ] I know who to contact on the farm in an emergency and what address and access directions to give emergency services.

General preparation guidance. Check official advice and the conditions at your workplace.
